STRATEGIC CONSULTANT, DGM (CONTRACTUAL) | BASON FARM, LALTEER SEED LTD | MULTIMODE GROUP | MAR 2026 – PRESENT

- Strategic Risk Mitigation: Engineered comprehensive security and administrative roadmaps for large-scale industrial units (17+ acres), reducing utility wastage and operational "leakage" by 60% through tech-integrated surveillance and systemic audits.
- Operational Integrity & Audit: Exercised full audit authority over 16+ departments, identifying systemic flaws in supply chain and inventory management, resulting in immediate fortification of financial transparency.
- Crisis Management & Liaison: Served as a high-level liaison between corporate entities and government infrastructure (Police, RAB, PBI and Military) to ensure a secure, uninterrupted business environment during periods of regional volatility.
- Institutional Discipline & HR Reform: Spearheaded the restructuring of workforce SOPs, shifting organizational culture from person-dependency to system-driven accountability, significantly enhancing staff morale and ethical compliance.
- Intelligence-Driven Security: Implemented signal-grade CCTV grids and digital access control systems, transitioning traditional guarding into a proactive, tech-augmented security force.
- Business Facilitation: Acted as a Strategic Problem Solver for executive management, resolving high-value "pain points" in governance, labor relations and inter-departmental coordination.

DEPUTY GENERAL MANAGER (LAND) & STAFF OFFICER (INTERNATIONAL LIAISON) | MULTIMODE GROUP | FEB 2026 – MAR 2026

- International Coordination: Acted as a Staff Officer under the Mongolian Consular and collaborated with WEAB to supervise and verify UN-based projects and high-official security protocols.
- Industrial Land Acquisition & Regularization: Directed comprehensive legal vetting, mutation and conversion processes for large-scale industrial land assets to ensure 100% compliance with local land laws.
- Risk Mitigation & Dispute Resolution: Spearheaded strategic risk assessments for high-value property portfolios, resolving complex land disputes and encroachments through coordinated administrative and legal frameworks.
- Regulatory Liaison: Lead as a primary liaison with government bodies (AC Land, Sub-Register Office and DC Office) to facilitate seamless administrative protocols and documentation.

SPECIAL SECURITY COORDINATOR & ADVISER | [AUTHORITY: UNDER MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE] GOVT OF THE PEOPLE'S REPUBLIC OF BANGLADESH | DEC 2025 – FEB 2026

- Security Coordination: Served as a strategic advisor to the ministerial authority overseeing the implementation of high-level security protocols and risk mitigation strategies.
- Inter-Agency Liaison: Acted as the primary point of contact between government law enforcement agencies and ministry stakeholders to ensure zero-error security compliance during sensitive operations.
- Crisis Command: Directed tactical security planning and rapid-response frameworks for high-profile ministerial events and administrative transitions.
- Information Intelligence: Leveraged advanced informational flow management to provide real-time security assessments for high-valued appointments.
