Career Objective:

Currently seeking a suitable managerial position in the Shipping & Chartering Division of a reputed large shipping company where I can leverage my commercial shipping experience to achieve the company`s success.

Career Summary:

Highly motivated Shipping & Chartering professional with a Masters degree in International Maritime Studies and over 5 years of experience in chartering, port and shipping operations working for Group of Companies, FMCG Manufacturing Industry.

Employment History:

Total year of experience: 10.2 yrs

1. Manager (7.7yrs)
(1 Jan 2019 - Continuing)

United Marine Transport Corporation
Area of Expertise:
chartering (4.5 yr), Vessel Operation (4.5 yr), Shipping Operation (4.5 yr)

Duties/Responsibilities

Maintained a separate vessel document file keeping record of vessels particulars and all certificates such as registration, survey, GA, Capacity Plan, H&M Insurance etc and ensured all documents are updated prior to expiry thus ensuring nil port detention.

Carefully oversee the calculation of lay time to ensure accuracy by checking and verifying with relevant charter party lay time clauses and terms together with a statement of facts (SOF) that resulted in a successful claim of demurrage from the charterer.

Carefully reviewed the prevailing time charter party clauses such as duration of charter, delivery, re-delivery place, off-hire, trading limits, charter hire, payment terms, delivery/canceling dates etc. in case of voyage charter, cargo type, quantity, lay time or loading and discharging terms, ports, freight rate, demurrage, dispatch rate, freight payment clauses etc. thus ensuring full compliance of CP throughout the voyage.

Reconciled voyage accounts by checking estimated voyage statement with actual voyage statement

data supported by cargo loading and shipping documents to ascertain actual difference.

By receiving time charter and voyage charter offers from various brokers evaluated time charter and voyage charter proposals using estimated time charter or voyage statement calculations to check which routes are more profitable thereby providing recommendations to Senior Manager.

2. Executive (Ship Management & Operations) (1.4yrs)

(1 Aug 2017 - 31 Dec 2018)

Orion Oil & Shipping Ltd (Orion Group)

Area of Expertise:

chartering (1.3 yr), Vessel Operation (1.3 yr), Shipping Operation (1.3 yr)

Duties/Responsibilities

Obtain charterers KYC, time charter offer or cargo information, estimated PDA from agents and do time or voyage estimated calculation for pre-fixing prepared and transmitted post-fixing documents such as vessel loading instructions, load port pre-arrival documents, load port documents, freight invoices, vessel discharge instructions, discharge port pre-arrival documents, debit notes, credit notes to stakeholders etc.

Maintained regular communication with vessels during voyage through email with recommended arrival times (ETA) and NOR (Notice of Readiness) and in case of any delay due to weather or other factors, updated stakeholders accordingly.

Kept neat records and filing of all voyage associates documents such as charter party fixture, stowage plan, voyage order, discharge order, agency appointments, PDA, NOR (Notice of Readiness), vessel distance run and bunker consumption, voyage abstract, final voyage statements etc., cargo documents such as LOI, B/L, Mates receipt, Certificate of Origin, Quantity, Quality, Cargo Manifest, SOF, thus providing valuable insights into business operations.

Cross-checked and verified documents such as LOI (Letter of Indemnity), B/L (Bill of Lading), Mates receipt, SOF (statement of facts) and PDA (Port disbursement account) statements with supporting documents such as charter party (CP) fixture recap, cargo loading documents, vessels time sheet and port agents agreed estimated PDA costs and ensured error-free documents.

Through close communication with accounts and commercial department, monitored inward remittance statement, bank swift copy with and arrange vessel`s itinerary taking into account vessels current position and opening date as well as all the operating expenses required to carry out the voyage.

Maintained close collaboration with Foreign Trade department to acquire necessary import trade information such as cargo type, quantity, laycan, load and discharge port, loading and discharging terms to quote competitive freight value and thereafter provide all shipping documents such as B/L, Certificate of Origin, Quality, Time Sheet etc for facilitating LC payments and invoicing.

3. Executive (1.1yrs)

(1 May 2015 - 31 May 2016)

Min Sheng Lines (Bangladesh) Ltd

Area of Expertise:

Vessel Operation (1.0 yr), Shipping Operation (1.0 yr)

Duties/Responsibilities

Assisted in vessels route planning by calculating hiring statement, voyage costing, bunkering, contingency or damage & dispose cost using relevant information such as vessels deadweight, draft, speed, bunker consumption as well as ongoing bunker prices, cargo loadable quantity, port distance, port disbursement account (PDA), ongoing average time charter rate and charterers quoted freight rates.

Monitored vessels location and weather by checking daily vessels ETA report in email supported by Automatic Identification System (AIS) tracking websites.

Regularly update market intelligence reports from various sources such as changes in bunker price, average vessel time charter rates to achieve operational efficiency and decision making.
