Career Objective:

Secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

Employment History:

Total year of experience: 9.0 yrs

1. Manager, Chartering & Operations (1.2yrs)

(1 Jul 2025 - Continuing)

AKIJ SHIPPING LINE LTD

Area of Expertise:

Shipping Operation (0.3 yr)

Duties/Responsibilities

1. Coordinate chartering activities to secure competitive freight rates and suitable vessel employment.
2. Maintain close coordination with shipowners, charterers, international brokers, and bunker suppliers to support chartering operations.
3. Monitor daily post-fixture operations to ensure smooth voyage execution and efficient cargo discharge.
4. Provide voyage and time charter instructions to masters and ensure compliance with Charter Party requirements.
5. Process and verify all operational documentation between vessels, brokers, charterers, and agents.
6. Handle voyage-related claims, including off-hire, demurrage, and performance issues, ensuring timely resolution.
7. Participate in strategic projects and feasibility studies to support business expansion in Bangladesh and abroad.
8. Monitor commercial aspects such as buyer contracts, LC documentation, demurrage, and arbitration to prevent revenue leakage.
9. Coordinate with the Sales team for shipment schedules and discharge operations to maintain smooth cargo flow.

10. Liaise with the Finance department for voyage final accounts, receivables management, and cost control.

11. Oversee the full cycle of dry bulk voyages, ensuring efficient loading, transit, and discharge operations in line with Charter Party terms.

12. Ensure timely issuance of NORs, SOFs, cargo documents, and voyage reports while maintaining accurate operational records.

2. Deputy Manager, Chartering & Operations (0.7yrs)

(16 Nov 2024 - 30 Jun 2025)

Noapara Group

Area of Expertise:

chartering (0.6 yr)

Duties/Responsibilities

1. Spearhead chartering activities for dry bulk vessels, ensuring cost-effective and timely transportation of cargoes including fertilizers, coal, and other bulk commodities.

2. Conduct market research to identify optimal tonnage and negotiate competitive freight rates and charter terms for company cargoes.

3. Oversee voyage performance, ensuring full compliance with Charter Party terms and addressing operational challenges proactively.

4. Establish and maintain strong relationships with shipowners, brokers, and other stakeholders to support long-term business objectives.

5. Analyze voyage P&L, identify cost-saving opportunities, and implement strategies to enhance overall profitability.

6. Oversee the full cycle of dry bulk voyages, ensuring efficient loading, transit, and discharge operations in line with Charter Party terms.

7. Supervise and manage daily post-fixture operations, closely monitoring the operations team to drive continuous excellence in cargo discharge management.

3. Officer- Senior Officer-Assistant Manager (5.8yrs)
