Employment Summary:

Sanmar Properties Ltd

Position : Dy. Director- HR, Administration, CSD, Inventory & Business Operations
Joining Date : April 2022 to till date
Reporting to : Chairman & CEO

SANMAR PROPERTIES LIMITED, a leading luxury real estate developer of Bangladesh having multiple offices in Dhaka and Chittagong, dedicated to creating excellent living experiences through diverse portfolio, which includes affordable, mid-range, upscale, and luxury properties tailored to meet the varied needs of clientele. The company have been in business since 1999 & employs (officer level) over 365 people.

As Asst. Director of the Real Estate Division, I have led the development of the organization's vision, strategy, and, actionable plans. I played a important role in defining the mission, strategic direction, pace, and performance metrics for the real estate sector—

I designed an innovative business model for SANMAR Properties Ltd that positions us ahead of industry trends. My leadership encourages all stakeholders to overcoming resistance to change and preparing the organization to adapt to unexpected developments. My primary focus has been on crafting a new market value proposition that challenges traditional players, rendering their offerings obsolete. By driving innovation and creating distinct value, I aim to reshape the market and set new standards that redefine industry expectations.

- **Leadership Team Building and Development**: Recruited and integrated a high-performing leadership team aligned with the company's culture. Effectively delegated responsibilities, ensuring they function collaboratively and lead with autonomy
- **Mission-Aligned Milestone Setting**: Established quarterly and annual objectives aligned with the company's mission, creating clear, simple, and inspiring goals for each team member.
- **Innovative Market Research and Customer Insight**: Maintained an external focus to gather actionable insights, enhancing customer experience by exploring their expectations. Designed innovative real estate solutions that resonate deeply with users, motivating them to transition from existing alternatives.
- **Metrics-Driven Performance Management**: Identified key drivers for top-line, midline, and bottom-line results, setting these metrics as primary internal performance indicators.

- **Cultural and Team Alignment**: Dedicated significant time to building relationships with core executives, individually and as a team, fostering a cohesive and supportive culture that strengthens alignment and teamwork across the organization.
- **Transparent Communication and Organizational Alignment**: Developed effective communication practices to ensure well-informed and understand how their contributions align with broader organizational goals. Fostered a culture where everyone has a voice in decision-making.
