Executive Profile

To contribute as a strategic HR, Administration, and Compliance leader by partnering with executive management to align people, culture, and organizational capabilities with business strategy. Leveraging over 25 years of leadership experience in the RMG industry, I aim to drive workforce excellence, organizational transformation, governance, compliance, talent development, and operational performance while creating sustainable value for employees, customers, and stakeholders in a progressive organization.

CORE COMPETENCIES AT A GLANCE

- Directed HR operations for 12,500 employees across 3 manufacturing units (1200k+ sq. ft. facility), aligning workforce planning with 8% annual business growth targets.
- Led end-to-end talent acquisition and retention, reducing employee turnover from 6% to 4%, cutting replacement hiring by 33% (250 positions/month), and saving Tk 1M+ recruitment cost per month while hiring 500 workers monthly.
- Established a scalable recruitment framework, onboarding 60+ staff and executives monthly, achieving 99% onboarding completion, and increasing internal promotions from 12% to 16% through succession planning and talent development.
- Managed payroll and HRIS for 12,500 employees with 100% accuracy, reducing HR reporting time by 50% through automation and KPI-driven HR analytics dashboards.
- Strengthened employee relations by resolving 100+ grievances monthly and leading 25+ engagement programs annually, maintaining a stable and productive industrial environment.
- Ensured 100% compliance with labor laws and buyer requirements, successfully managing 15+ labor inspections and compliance audits with minimal findings.
- Enhanced workplace safety, reducing occupational incidents by 30% through proactive safety initiatives, awareness programs, and corrective action plans.

SWOT ANALYSIS

STRENGTHS:

- **Depth Knowledge on Labor law and Rules of BD & Buyer COC**
- **Partnered with business leaders to ensure workforce availability, labor compliance, employee engagement, and productivity optimization across multiple manufacturing operations, supporting business growth and operational continuity.**
- **Led strategic HR functions including manpower planning, recruitment, talent development, and workforce optimization for 12,500+ employees.**
- **Oversaw & acted as a strategic advisor to plant leadership on industrial relations, grievance management, disciplinary actions, and handled 420+ labor court cases in coordination with regulatory authorities.**
- **Strengthened cross-functional collaboration among Production, IE, Quality, Maintenance, Utility, and Admin teams to improve operational performance.**
- **Managed a 100+ member security team, achieving successful C-TPAT compliance with zero critical findings.**
- **Improved production efficiency from 40% to 60% through manpower optimization and process improvement initiatives.**

WEAKNESSESS:

- **Limited Global Corporate Exposure, still working for Cross-country workforce management.**
- **Although HRIS experience exists, working for AI-driven HR initiatives, Advanced workforce analytics, Digital transformation leadership, People analytics dashboards.**
- **Executive Thought Leadership Still Developing, working for Publishing HR articles, Industry speaking engagements, Conference participation, Professional networking influence.**
- **It is really hard for me to work with low quality and without SOP.**

OPPORTUNITIES:

- ✓ **Transition to CHRO / Group HR Director Role.**
- ✓ **Become an HR Transformation Consultant.**
- ✓ **Thought Leadership Development.**
- ✓ **ESG & Sustainability Leadership.**
- ✓ **Board-Level Leadership.**
- ✓ **International Market Opportunities.**

THREATS:

- **Growing Competition from Younger HR Leaders, who are more A.I driven.**
- **Rapid Digitalization of HR.**
- **Evolving ESG Requirements.**
- **Global Economic and RMG Market Volatility.**
