DEEPAK K. TANEJA

Working with **TCW Trends BD Limited**, Bangladesh as Business Head from Jaunary'25 & **before merging** of Crystal Sourcing Inc with TCW Group, I was working as Country Manager for Crystal Sourcing Inc for BD & Egypt from January'2024.

- **Heading the complete operations of the sourcing for buyers – Levis, Dockers etc. for US & Central America markets.**

JOB SUMMARY

As **Head of the Business**, I am responsible for leading the end to end sourcing, negotiations, placements, vendor allocation & merchandise planning across all categories / segments of the apparels ON ORDER be it – Knits or Wovens – Men's or Ladies – Top's or Bottom's.

The role requires strong analytical, strategic & leadership capabilities to achieve the desired sales, margins & targets as per the annual business plans.

Key Responsibilities

- **Business & Sales Planning**
- To prepare seasonal & annual business plans keeping in view the previous / past sales & forecasts & projections into consideration
- Develop the Annual Operating Plan (AOP) in line with the company's growth & profitability & business sustainability into consideration
- **Merchandise Planning**
- Prepare buy plans & open to buy budgets for apparels across all business channels
- Plan & Place orders with selected vendors & do the forward bookings in advance keeping in view the sales history, market trends, projections & forecasts in hand for the coming seasons.
- Ensuring the right product with width to meet the buyers SOP's & requirements with quality shipments in time
- **Business Analysis**
- Incorporate customer & brand feedback to running SOP's, orders into future buying & allocation decisions
- Monitoring & report performance against business KPI's, Sales, Margins, future growth & business plans
- **Team Leadership & Co-Ordination**
- Lead the merchandising, BD, PD, Planning & Quality teams to ensure seamless execution of the strategies & implementation of SOP's
- Collaborate closely with sales, marketing, merchandising, operations, logistics, commercial & finance teams to achieve the business goals
- **Key Skills & Competencies**
- Strong analytical & numerical skills
- Commercial acumen with deep understanding of fashion/prices/retail trends
- Leadership, communication & cross functional coordination
