Career Objective:

To work in a challenging merchandising role where I can apply my technical knowledge, product development skills, and industry experience to support business growth through quality execution and timely delivery.

Career Summary:

Results-driven textile professional with 10+ years of experience in the RMG sector, specializing in merchandising, quality assurance, and supply chain management. Currently working with EPIC Group, handling Walmart business and managing end-to-end order execution from raw material in-house to final shipment. Experienced with global buyers including Walmart USA (Free Assembly, Scoop), Inditex brands (Zara, Bershka, Stradivarius), as well as Kmart and Sears. Strong expertise in T&A.

Special Qualification:

Skilled in T&A management, costing, sourcing, production follow-up, and shipment coordination. Strong communication, negotiation, and problem-solving abilities.

Employment History:

Total year of experience: 12.9 yrs
