Uttaran Technologies Ltd.

3, South Kallyanpur, Dhaka.

- Conduct electrical Safety Audit in Apparels industries as per BNBC and NFPA Standards.
- Electrical Audit for Accord, Alliance etc. Rectification Work in LT panel, MDB etc.
- Thermo-graphic scans to determine faults by temperature variations in distribution boards.
- Prepare Single Line Diagram (SLD), Electrical Layout Drawing (ELD) & other Electrical Drawings.
- Insulation Resistance (IR) Test, Earth Resistance (ER) Test & prepare report for factories.
- Plan, execute and supervise the electrical installation & project activities.

Service Engineer April 2010 – May 2011

Advance Power Electric Co.

59, Merul Badda, Dhaka.

- Installation, Technical Calculation, Design & Estimation of solar system for a solar project.
- Installation & design all type of electrical distribution board, LT, HT, & sub-station work.
- Maintaining liaison with the clients for technical support.

TRAINING

SL	TRAINING TITLE	INSTITUTE	YEAR
1	**Electrical Safety Training** on Generator, Substation, Electrical wiring, LPS etc.	GIZ, Gulshan, Dhaka	2016
2	**Training on PLC,** Industrial Automation & Maintenance.	IEB, Ramna, Dhaka	2010
3	**Industrial Training** on Repairing & Testing of Power & Distribution Transformers, CT, PT, Energy meter etc.	CERS, PDB, Tongi, Gazipur	2009

EDUCATION

DEGREE	SUBJECT	INSTITUTE	CGPA	YEAR
B.Sc	EEE - ELECTRICAL & ELECTRONICS ENGINEERING	STAMFORD UNIVERSITY BANGLADESH	3.35 (Out of 4)	2009
H.S.C	SCIENCE	SATKHIRA GOVT. COLLEGE	3.50 (Out of 5)	2003
S.S.C	SCIENCE	SATKHIRA GOVT. HIGH SCHOOL	4.25 (Out of 5)	2001
