Career Objective:

To excel as a Ship Chartering Manager, leveraging expertise in maritime logistics, negotiating profitable charter agreements, optimizing vessel utilization, and ensuring cost-effective operations for sustained growth in the dynamic shipping industry.

Career Summary:

5 years of successful experience in effectively handling oceangoing logistics transportation in a fast-paced Dry Bulk Operator Company. Extensive experience in negotiating and managing charter party, analyzing market trends, and identifying profitable chartering opportunities. Proficient in assessing vessel suitability, freight rates, and voyage planning. Skilled in coordinating complex operations, including vessel scheduling, cargo handling, customs clearance and documentation.

Special Qualification:

Extensive knowledge of maritime regulations and market trends
Proven track record in negotiating and executing charter agreements
Expertise in optimizing vessel schedules for maximum efficiency
Strong analytical skills for market assessment

Employment History:

Total year of experience: 7.5 yrs

1. Deputy Manager (4.7yrs)
(1 Jan 2022 - Continuing)

United Marine Transport Corporation
Area of Expertise:
chartering (1.8 yr)

Duties/Responsibilities

• Carefully reviewed time charter party clauses, encompassing charter duration, delivery and re-delivery locations, off-hire conditions, trading limits, charter hire, payment terms, delivery/

cancellation dates, etc. For voyage charters, scrutinized cargo type, quantity, lay time for loading and discharging, ports, freight rates, demurrage, dispatch rates, and freight payment clauses, ensuring strict adherence to charter party terms throughout the voyage.

• Oversee and monitor all tasks related to vessels management including chartering, operation, technical, crew management to ensure smooth ship operation.

• Maintain good relations with various parties including port agent, customs, broker, charterer, bunker supplier, ship owner, regulatory authority and financial institutions.

• Accurately verify statement of facts and ensure any demurrage claim is submitted to party in a timely manner.

• Handle cargo short landing dispute and ensure amicable settlement between parties.

• Carefully supervised the calculation of lay time, cross-verifying with relevant charter party lay time clauses and terms, along with a statement of facts (SOF). This meticulous approach resulted in successful demurrage claims from charterers.

• Reconciled voyage accounts by comparing estimated voyage statements with actual voyage data, supported by cargo loading and shipping documents, accurately identifying any discrepancies.

• Evaluated time charter and voyage charter offers from various brokers using estimated time charter or voyage statement calculations, assessing profitability of different routes, and provided well-informed recommendations to top Management.

• Negotiated Port Disbursement Account (PDA) before agency appointments after thoroughly checking all port costs (dues, pilotage, berthing), customs (lighthouse dues, immigration PHO clearance, transportation), agency fees etc.

2. Assistant Manager (1.0yrs)

(1 Jan 2021 - 31 Dec 2021)

United Marine Transport Corporation

Area of Expertise:

chartering (0.9 yr)

Duties/Responsibilities

• Performed post-fixture activities including coordinating with charterer, brokers, agents and master to ensure smooth vessel operation including following up voyage instructions, agency appointments, transmitting cargo documents and attending ships supply requirement.

• Performed post-fixture activities including coordinating with charterer, brokers, agents and master to ensure smooth vessel operation including following up voyage instructions, agency appointments, transmitting cargo documents and attending ships supply requirement.

• Negotiated Port Disbursement Account (PDA) before agency appointments after thoroughly checking all port costs (dues, pilotage, berthing), customs (lighthouse dues, immigration PHO clearance, transportation), agency fees etc.

• Kept neat records and filing of all voyage associates documents such as charter party fixture, stowage plan, voyage order, discharge order, agency appointments, PDA, NOR (Notice of Readiness), vessel distance run and bunker consumption, voyage abstract, final voyage statements etc., cargo documents such as LOI, B/L, Mates receipt, Certificate of Origin, Quantity, Quality, Cargo Manifest, SOF, thus providing valuable insights into business operations.

3. Senior Executive (1.0yrs)

(1 Jan 2020 - 31 Dec 2020)

United Marine Transport Corporation

Area of Expertise:

Operation (0.9 yr), chartering (0.9 yr)

Duties/Responsibilities

• Maintained regular communication with vessels during voyages through email with recommended arrival times (ETA) and NOR (Notice of Readiness) and in case of any delay due to weather or other factors, updated stakeholders accordingly.

• Maintained a separate file for vessel documentation, ensuring accurate records of vessel particulars and certificates like registration, survey, GA, Capacity Plan, H&M Insurance, etc. Regularly updated these documents before their expiration, leading to smooth port operations with no detention issues.

• Prepared and transmitted freight invoices debit notes, and credit notes to stakeholders.

• Audit freight revenue, voyage expense documents and submit voyage profit and loss accounts in a timely manner.

• Regularly update market intelligence reports from various sources such as changes in bunker price, and average vessel time charter rates to achieve operational efficiency and decision-making.

4. Executive (0.8yrs)

(16 Apr 2019 - 31 Dec 2019)

United Marine Transport Corporation

Area of Expertise:

Operation (0.7 yr), chartering (0.7 yr)

Duties/Responsibilities

• Prepare and report regular updates on the ship's movement report to the commercial department such as current position, estimated arrival/berthing, and departure time, and ensure smooth work process.

• Regularly update market intelligence reports from various sources such as bunker price changes and average vessel time charter rates to achieve operational efficiency and decision-making.

• Ensure all cargo and ship documents are submitted timely to avoid delays at port.

• Ensure safe cargo transportation by monitoring and sharing all cargo documentation required for Import General Manifest (IGM) and related tasks at the destination customs location.
