1. Assistant General Manager - Marketing and Merchandising (1.6yrs)

(1 Dec 2024 - Continuing)

PEARL GLOBAL INDUSTRIES LTD (PGIL)

Area of Expertise:

Garments Marketing (0.1 yr)

Duties/Responsibilities

As an accomplished Assistant General Manager - Marketing and Merchandising, I bring over 14 years of expertise in driving growth and profitability across diverse apparel categories. With a proven track record in leading multimillion-dollar portfolios and managing cross-functional teams, I

specialize in aligning marketing and merchandising strategies with organizational goals to achieve sustainable business success. My experience spans from product development to market penetration, leveraging strong client relationships and technical acumen to deliver high-impact results. Focused on continuous improvement and operational excellence, I am committed to advancing the apparel industry`s marketing and merchandising landscape through strategic leadership.

Key Achievements: Spearheaded strategic procurement initiatives, managing multimillion-dollar portfolios that directly contributed to substantial revenue growth. Successfully launched new products across various apparel categories, enhancing market presence and driving brand recognition. Built and nurtured long-term relationships with key decision-makers and global clients, ensuring customer loyalty and repeat business. Led cross-cultural teams in diverse geographical locations, promoting collaboration, innovation, and high performance. Implemented budgeting and sales forecasting processes, optimizing financial planning and maximizing profitability. Secured favorable terms through adept technical and commercial negotiations, driving cost efficiency and profitability. Developed and executed market identification strategies to penetrate competitive markets and expand brand reach. Streamlined production planning and operations management to ensure timely delivery and quality assurance. Core Competencies: Strategic Marketing & Merchandising New Product Development & Launches Client Relationship Management Production Planning & Operations Market Identification & Penetration Financial Planning & Budgeting Cross-Cultural Team Leadership Technical & Commercial Negotiations Recruitment, Training & Staff Development Profit Center Management With a focus on delivering value to stakeholders and fostering a culture of excellence, I am ready to contribute my expertise to a forward-thinking fashion enterprise that prioritizes innovation, sustainability, and growth.

Managing the complete lifecycle of development and production for two key accounts, Champion and Carhartt Outerwear, including product planning, material sourcing, sample development, bulk production coordination, quality control, and on-time shipment execution. Responsibilities also involve liaising with design and technical teams to ensure alignment with brand requirements, optimizing production efficiency, and maintaining cost-effective operations while upholding quality standards. Additionally, overseeing vendor communication, negotiating pricing, and troubleshooting any production challenges to ensure seamless execution of orders.

My role at PGIL:

➢ Lead end-to-end merchandising operations for key accounts: Levi's, Carhartt, and Champion.

➢ Oversee the complete product cycle—from development and sampling to bulk production and finished goods shipment.

➢ Collaborate with design and marketing teams to explore new markets and support new customer development initiatives.

➢ Drive strategic planning, budgeting, and cost optimization to ensure profitability and operational efficiency.

➢ Lead, mentor, and train a cross-functional merchandising team to enhance performance and build future leadership.

➢ Ensure timely execution of orders while maintaining compliance with buyer standards, quality benchmarks, and delivery timelines.

2. Manager - Marketing and Merchandising (Team Head) (2.6yrs)

(16 May 2022 - 30 Nov 2024)

NSL TEXTILES LIMITED

Area of Expertise:
Merchandising and Marketing (2.5 yr)

Duties/Responsibilities

Roles/Responsibilities: I serve as the Marketing and Merchandising Team Head at NSL Textiles Ltd, a prominent entity within the NSL Group, recognized as one of the largest and most technologically advanced textile conglomerates in the region. As the Marketing and Merchandising Team Head at NSL Textiles Ltd, a distinguished member of the renowned NSL Group, I lead a dynamic team responsible for driving marketing strategies and overseeing merchandising operations. I have been instrumental in spearheading marketing initiatives and managing business activities with precision and innovation. My role entails overseeing multifaceted marketing campaigns, fostering strategic alliances, and ensuring seamless execution of merchandising operations to meet organizational objectives effectively. Within my capacity, I orchestrate comprehensive marketing campaigns tailored to both our diverse apparel lines and premium woven fabrics procured from our esteemed textile mill. Furthermore, I actively collaborate with cross-functional teams to ensure alignment between marketing efforts and overarching business objectives. From conceptualizing compelling marketing collateral to optimizing merchandising processes, my role is dedicated to upholding the reputation and competitiveness of NSL Textiles Ltd in the ever-evolving textile industry landscape. Brands/Retailers I`ve collaborated with include Habit's Outdoors (Mahco Inc.), Pepe Jeans, Pacsun, Hickey Freeman, Havana Jim shirts, Stella Parker and BJ Dress, Oscar Shirts, Greg Norman, Chaps, Lee, DKNY, Elie Tahari, Matalan UK and Connor AUS. Product Expertise: Activewear and Sportswear (Adidas, Nike, and Reebok), Swimwear, Outerwear, Insulated Jackets, Fishing / River Shirts, Denim, and non-denim pants and jackets (Levi's, Uniqlo, Buckle, and Perry Ellis), Formal and casual woven shirts, Knit tops, Underwear, Socks, Sleepwear, Pajamas, Dresses, Tops, Bodysuits, Shorts, Uniforms and Workwear. Reporting line: COO of the company

3. Manager - Marketing and Merchandising (4.1yrs)
(16 Apr 2018 - 15 May 2022)

GOLDMARK LIMITED
Area of Expertise:
Merchandising and Production. (1.8 yr), Sourcing (4.1 yr), Marketing (4.1 yr)

Duties/Responsibilities

Company Overview: Goldmark Development Ltd stands as a prominent global sourcing solution providing comprehensive end-to-end apparel solutions. With its headquarters located in Ho Chi Minh City, the company extends its global reach through three strategically positioned overseas production offices in Egypt, Madagascar, and Bangladesh. The international presence of Goldmark Development Ltd positions it as a versatile and dynamic player in the apparel industry, offering a range of sourcing solutions to meet diverse market demands. Team Leadership and Coordination: As a leader within Goldmark Development Ltd, I had the privilege of spearheading a diverse and skilled team consisting of 10 members. This team encompassed various essential departments, including Product Development (PD), Merchandising (MD), and Purchasing. My responsibilities extended beyond team leadership to actively liaising with all production offices, ensuring seamless communication and collaboration from our headquarters in Ho Chi Minh City. This involved dedicated efforts in production and shipment follow-up, as well as the strategic sourcing of reliable factories for upcoming projects. My leadership role was integral in fostering a collaborative environment, optimizing team performance, and contributing to the successful

execution of our global sourcing initiatives. Marketing responsibilities: Marketing responsibilities included continuously seeking potential customers/markets and working on new projects for existing customers to increase sales volume. I closely collaborated with the development team to update current product collections for presentation, either physically or digitally. This involved providing instant pricing based on customer requirements, particularly on selected fabrics, to secure orders. Fabric sourcing: Fabric sourcing involved continuous collaboration with fabric suppliers to find exact fabrics for inquiries and enriching our fabric collections for future developments. Consequently, our fabric library boasts a diverse collection, including various woven fabrics such as denim for jeans and jackets, P/V blend for trousers, and Rayon, Poly/spandex for casual shirts and dresses, as well as knitted fabrics for women`s blouses and dresses. Achieving the customer`s price point is crucial, and with this in mind, we consistently counter-source all original buyer qualities with different mills to secure the most competitive pricing for our clients. Factory sourcing: Factory sourcing involves finding suitable factories for placed orders and collaborating on development and SMS programs with existing partner factories. Securing the right factory is a significant challenge, ensuring both the quality of the goods and timely delivery, while also guaranteeing favorable margins and fostering a win-win situation for all parties involved. To achieve this, we consistently conduct cost exercises on existing products with new factories to attain competitive pricing.

Brands/Retailers I`ve collaborated with include Perry Ellis Jeans, Jackets and woven shirts, BKE / Buckle Jeans, RETROFIT JEANS, Adidas, Nike and Reebok sport shorts and tee shirts, G-III -DKNY women jeans, Calvin Klein, Tommy Hilfiger, Walmart (Sam's Club), One Jeans Group (OJG), Caribbean Joe shirts, Stella Park and BJ Dress, Spyder Rash guard, Havana Jim tee shirt etc.

Reporting line: CEO of the Company

4. Manager Marketing and Merchandising (2.9yrs)

(16 May 2015 - 15 Apr 2018)

Noman Group (Factory - Noman Fashion & Saad Saan Apparels Ltd.)

Area of Expertise:

Merchandising and Marketing (2.9 yr)

Duties/Responsibilities

Company size: Noman Group is one of the largest Bangladeshi conglomerates in textiles and apparel manufacturing, having 24 manufacturing units it's annual turnover is more than $1 billion USD for textiles and garment products, and it has created employment for about 70,000 people. Job Responsibilities: I held a multifaceted role that encompassed various crucial aspects of the business. This included overseeing marketing initiatives, managing raw material sourcing, coordinating sample development, conducting costing analyses, handling sourcing activities, overseeing material purchasing, monitoring supply chain management (SCM), closely following up on production processes, and managing shipment schedules in the morning. Additionally, I served as the team leader for a group of 11 individuals, among whom were three dedicated development merchandisers. In this leadership position, I ensured effective collaboration and coordination within the team to achieve our collective goals and meet organizational objectives.

Brands/Retailers I`ve collaborated with include UNIQLO & GU, JAG, Reitman`s, Coppel shirts, Oodji, MIXXO, WHO.A.U. & SPAO

Reporting line: General Manager, Marketing and Merchandising (Apparel Division)

5. Sr. Merchandiser (Production & Shipment follow up) (5.2yrs)
(7 Apr 2010 - 10 May 2015)

Epic Group
Area of Expertise:
Merchandising and Production. (5.0 yr)

Duties/Responsibilities

Roles and Responsibilities at Epic Group: EPIC Group is a Commitment to Excellence in Apparel Manufacturing Since 2005. At the renowned Epic Group, my duties and responsibilities were centered around upholding and elevating the exceptional standards set by the company. Dedicated to delivering value-added, world-class apparel manufacturing, Epic Group has consistently prioritized quality, value, and innovation, ensuring unfailing reliability for our international customers. As part of a company with a substantial presence, I contributed to the success of Epic Group`s 114 production lines and collaborated with a diverse team of 30,000 employees. Our large capacity allowed us to deliver an impressive 100 million garments annually, catering to customers in 45 countries. Epic Group`s expansive reach is supported by nine manufacturing facilities strategically located across Bangladesh, Vietnam, Jordan, and Ethiopia. My role involved actively participating in the dynamic and innovative environment of Epic Group, working towards achieving its overarching goals and sustaining its reputation as a leader in the global apparel manufacturing industry.

Production Merchandising: Accomplishments and Responsibilities In my role in Production Merchandising, I demonstrated a commitment to excellence by achieving the Best Key Performance Indicators (KPI) in cut-to-ship and on-time delivery (OTD). I successfully managed excess shipment plans and implemented a cutting Standard Operating Procedure (SOP) by meticulously monitoring fabric allocation, cut plan, and cut projection control.

Working collaboratively with the Hong Kong (HK) team, I played a vital role in various aspects of the production process. This included contributing to costing work, monitoring development and production samples, overseeing accessories purchasing, managing supply chain activities, closely following up on production, and monitoring shipment schedules. In this capacity, I supervised a team of three associates. Throughout my tenure, I had the privilege of working with esteemed buyer accounts, including Levi`s, Kohl`s, UNIQLO, JCP, Sainsbury`s, Gap, Nautica, Lee, and Promod. My multifaceted responsibilities and achievements underscore my dedication to optimizing production processes and ensuring the highest standards of performance and client satisfaction.

Brands/Retailers I`ve collaborated with include Levi’s, JC Penny, Sainsbury’s, Kohl’s, Nautica, C&A, Lee, Promod, Uniqlo, and Gap.

Reporting Line: My reporting line was direct to the Unit Divisional Merchandising Manager (DMM), ensuring clear communication and alignment with organizational goals.
