Military Career In Brief: I had joined in Bangladesh Military Academy in 1996 and was commissioned on 11 December 1997 with 37th BMA Long Course. Since then, I had been serving in various appointments in relative fields of Security, Human Resources Management and Planning. I had served in Chittagong Hill Tracts as a member of OPERATION DABANOL. Serving as an infantry officer I used to work and face the first line security situation both within military and in national level deployment in aid of civil power which I handled directly in combination with my professional skills, leadership quality and humanity. I have actively participated in OPERATION CLEAN HEART-2003, National Parliament Election – 2001 & 2008 where I had faced fickle situations with a lot of diversity which had made me more confident. I had served as the staff Captain (Records Wing) in Bangladesh Infantry Regimental Centre (BIRC) where I had been responsible for all HR functions of 30,000 troops of Infantry Regiment. Lastly, I had served as the officiating Deputy Assistant Adjutant & Quarter Master General (DAA&QMG) of the Administration Wing in the Bangladesh Infantry Regimental Centre.

Professional Appointments

More than 10 years in the Bangladesh Army was focused on planning, management, training & participation in management, logistics, supply chain management and human resources management.
